

Our mission is to work as a dedicated team, to serve the needs and surpass the expectations of our clients. Always striving to earn and keep our clients respect by providing honest advice and prompt service in a safe, efficient manner.

We are your **"One Stop Contact Services"** shop co-coordinating the complete repossession to Disposition of Sale;

- Centralizing your recovered securities to One Location
- Legal Documentation Research
- Lease End Management
- Bailiff Retention and Locksmith Services
- Securing Property, Inventory, Equipment, or Vehicles
- Legal Notice Services to third party
- Condition Reports and Sale Prep Recommendations
- Complete Detailing or Optional Services to Maximize your sale return
- Redemption Negotiations and Reports
- Remarketing of Property, Equipment & Vehicles
- Updated reports and Full Asset Disclosures

In providing these valuable services we offer;

- A Network of Insured Bonded Bailiffs licensed in the province of Ontario
- On line E-warrant® Web Ware
- Prestigious Building Facilities – Fenced – Insured - Paved Parking
- 20,000 sq feet indoor showroom and warehouse facilities
- Well-established showroom open daily to the public and dealers.

We have researched and consulted with our clients needs and designed the solutions towards companies that handle their own registration of liens, perfection of security interests, seizure, private investigation, legal notices, and disposition of collateral. This move enables a lender, trustee or financial institution to work with one full-service company.

Excell Auction Services Inc. has Canada Wide affiliation with Bailiffs, Transportation companies, Locksmiths, Automated Inventory Control, Storage Facilities, Automotive Detailers, Public & Wholesale Auction Houses, and Advertising Companies so we can pass the savings on to our clients. Excell offers a secure, indoors showroom arena and merchandise storage facility through its sister company, Excell Auction Services Inc. Visit the site at www.excellauctions.com

Excell has demonstrated tremendous power and efficiency to the development of specific industry based applications such as vehicle tracking systems or online e-warrants®.

Excell is driven by challenging situations and will offer positive, constructive advise whether it be an Automobile, Truck, Office or Construction Equipment, RV or Real Property. If you have any questions please call for free consultation. (519) 672-7277
